Phone: 512-974-7131 Fax: 512-974-7825 email: fred.evins@austintexas.gov

Date: December 20, 2013 (Revised 12/31/13)

PROJECT: Green WTP Redevelopment – Street Extensions Phase 1

CIP ID: 7328.014

IFB# 6100 CLMC480

SUBJECT: Answers to Bidders Questions from Fred Evins, Redevelopment Project Manager, Economic Development Department

**The following are answers to Bidders received on the above project. These answers do not modify the Contract. Any modifications to the Contract will be through Addenda**

Q-1: What are the lengths, sizes and types of pipes to be installed in this project?

A-1: See Plan Sheets for pipe length, size and types.

Q-2: What will be the method of installation for the pipes?

A-2: See Specifications 510, SP510, and SS232114.

Q-3: Will there be boring involved in the project? Will it be directional or jack and bored?

A-3: No boring required for this project.

Q-4: We are currently performing the takeoff on the above project and I can not find any specifications pertaining to landscape or irrigation. Can you please tell me if there are any we should be following and if so where could I locate those?

A-4: There is no landscaping or irrigation required for the project, beyond revegetation. This will be clarified by Addendum.

Fred Evins, Redevelopment Project Manager
